

Junior Golf Camps

Glenview Prairie Club and Movement3Golf (M3G) have teamed up to bring a new level of junior golf camp programming as well as fun well-rounded athletic training for kids.

M3G teachers are PGA professionals with Nike's **NG360** Golf Performance Specialists in Golf Instruction, Junior Golf Development and Bio-mechanics. GPC/M3G Nike junior Golf Camps train all of our athletes with the same equipment used on the PGA and LPGA Tours, including Nike junior golf clubs, Snag golf gear, SkilZ training equipment, Foresight Launch Monitors and High Speed Video Analysis.

Pick up a brochure in the clubhouse for more information, or go to the website golfglenview.com to register.
