2. Public Comment

President Scholl commented that the purpose of tonight's public hearing is to explain the purpose of the Budget and Appropriations Ordinance and to obtain any comments on it. He noted that the ordinance has been available for public inspection at the Park District's administration office and notice of the public hearing was published in the June 17th edition of the Glenview Announcements.

President Scholl explained that the Budget and Appropriation Ordinance is a required filing that sets the legal maximum that can be spent in each fund if sufficient funds were available. This means that any possible expense needs to be anticipated and included as part of the Budget and Appropriations Ordinance. It is the common practice of government entities to set the appropriation higher than budgeted expenditures to assure that there is adequate leeway in each of the budget line items.

President Scholl went on to explain that the Budget and Appropriations ordinance should not be confused with the park district budget or the tax levy. The actual Park District budget for FY 2010-2011 was approved by the Park Board at the April 22, 2010 Board meeting and the budget is the working document used by the District to monitor revenue and expenses. It is the tax levy ordinance, not the BAO that determines the amount of taxes that the District will ask to be made available for park

district purposes. This year, the appropriation is set at \$112,128,000 while the budget was approved at \$31,132,396.

President Scholl then opened the meeting up for public comments.

3. **Adjourn**

With there being no comments, President Scholl asked for a motion to adjourn the Public Hearing and noted action on this Ordinance would take place at the regular Board meeting which would immediately follow this public meeting.

Commissioner Casey moved, seconded by Commissioner Beck to adjourn this Public Hearing at 7:04 p.m. A Voice Vote was taken: Ayes: Beck, Casey, Coulson, Katsamakias, Patton, Przybylo, Scholl. Nays: None. Motion carried.
