- Read into the minutes by Superintendent Barb Cremin an estimate of the tax levy for 2012 as required by the Truth in Taxation Act. This levy determines the taxes available for park district operations for fiscal year 2013-2014. The estimated levy amount is \$16,010,194, an overall increase of 3.27% or \$506,673 which includes \$392,100 of tax revenue from new growth, which may or may not materialize, a \$367,715 increase to reflect the CPI of 3% which is allowed under the tax cap and a

reduction of \$253,142 in the non-capped funds primarily due to lower bond payments. The levy will be reduced by Cook County if the estimated new growth does not materialize. Excluding new growth, the increase would be .7% or \$114,573 over last year's extension. A Truth in Taxation Public Hearing will be held on December 20, 2012 at 7:00 p.m. at the Park Center, 2400 Chestnut Avenue, Glenview. The final tax levy ordinance will be submitted to the Park Board for approval at the Regular Park Board meeting which immediately follows the public hearing.

- Accepted the Finance Committee recommendation to approve Ordinance 2012-22 reducing the Corporate Fund in the 2012 Real Estate Tax Levy for 2013 tax receipts. The PTELL reduction ordinance directs the county clerk to reduce the corporate levy if needed to comply with the Property Tax Extension Limitation Law. This is an annual housekeeping item.
