

The Grove National Historic Landmark

1421 Milwaukee Ave., Glenview, IL 60025

A historic facility of the Glenview Park District

Photography/Videography Information

We are pleased that you are considering The Grove National Historic Landmark as a location for taking photos, video or filming. The Grove has ecologically significant areas on the 135 acre Nature Preserve site. Due to the historic nature of the homes and grounds and for the protection of the property, and enjoyment of all visitors to the site, the following policies and procedures have been adopted by The Grove.

A permit is required for all posed formal photography and videography. Please contact us to confirm if your request can be accommodated and if so, we will send you a permit and payment form.
