Committee Meeting public involvement process

Regular Agenda Items: The Park District meeting chair introduces agenda items with background information presented by the committee members and staff. Once all public comments have been heard, the discussion will return to the commissioner level for any discussion, possible motion adjustment and formal action. In some instances, a staff member or commissioner may present general or routine matters that have not been the subject of committee discussion. In those cases, a motion and a second are required before a vote of the board.

ADA Accommodation: If meeting attendees require special accommodation to observe or participate in the meeting, please call (847) 657-3215 forty-eight hours in advance if possible. Hearing-impaired individuals may call TDD number (800) 526-0844.
