2. Public Comment on FY 2015/2016 Budget and Appropriations Ordinance

President Casey commented that the purpose of tonight's public hearing is to review the Budget and Appropriations Ordinance and to obtain any comments on it. He noted that the ordinance has been available for public inspection at the Park District's administration office since June 23, 2015 and notice of the public hearing was published in the July 16th edition of the Glenview Announcements.

President Casey explained that the Budget and Appropriation Ordinance is a required filing that sets the legal maximum that can be spent in specific line items within each fund if sufficient funds were available. This means that any possible expense needs to be anticipated and included as part of the Budget and Appropriations Ordinance. Otherwise, if unanticipated funds, such as grant funds or donations, became available, the District would not be able to use them as intended without additional legal filings.

President Casey went on to explain that the Budget and Appropriations Ordinance should not be confused with the park district budget or the tax levy. At the November 20, 2014 Board meeting, the Board approved the tax levy ordinance which requested the amount of taxes needed to fund the park district during the 2015-2016 fiscal year.

At the April 23, 2015 Board meeting, the actual Park District budget for FY 2015-2016 was approved by the Park Board. The budget is the working document used by the District to plan for and monitor its expected revenue and expenses for the fiscal year. The BAO which will be under consideration tonight sets the legal ceiling for spending above and beyond what was planned in the budget, if unexpected circumstances arise or additional funding becomes available.

This year, the appropriation is set at \$116,207,000 with a budget of \$39,240,063.

President Casey then opened the meeting up for public comments.

3. Adjourn

With there being no public comments, President Casey asked for a motion to adjourn the Public Hearing and noted action on this Ordinance would take place at the regular Board meeting which would follow this public meeting.

Commissioner Katsamakos moved seconded by Commissioner Peterson to adjourn this Public Hearing at 7:05 p.m. On Voice Vote: All present voted aye. Motion carried.

The Regular Park Board meeting was held in room 101 at Park Center, 2400 Chestnut Avenue, Glenview, IL (Same room as the public meeting).
