

# Glenview celebrates 20 years hosting figure-skating competition

SUBMITTED BY GLENVIEW  
PARK DISTRICT

The Glenview Ice Center welcomed more than 250 skaters from around the Midwest to the 20th Annual Chicago Open Figure Skating Competition July 26-29.

This U.S. Figure Skating non-qualifying competition, open to beginner through senior levels, is one of the largest amateur skating competitions in the north suburbs. Competition categories included compulsory, compulsories,

jumps, spins and showcase.

To commemorate Glenview's 20th year as host, the Glenview Ice Center gave the winners something extra special: crystal trophies for the boys and crystal necklaces for the girls.

Skaters from the Glenview Ice Center participated along with competitors from throughout the Midwest. The competition was judged by U.S. Figure Skating officials and evaluated on technical merit and presentation.
