Second Half skaters arrive by 5:15pm

For all rehearsals, the groups will be led to the ice by a staff member or parent volunteer when it is their turn to skate, and then will be led back to the bleachers or dressing rooms when they’re done.

Because this is the run-through of the entire show, we cannot predict how long it will last and ask that you please be patient while waiting for your child. We will be rehearsing the Grand Finale for the first time between the 2 halves and may need to run through it several times.

SOLOISTS: refer to your soloist packet for your detailed instructions.

Parents of skaters 6 years old and under may stay in their skater’s dressing room if it’s not uncomfortably crowded. Otherwise, parents (except dressing room volunteers who **MUST** remain **IN** the dressing rooms) must wait in the lobby or return after an hour or so to pick up their skater(s) from the dressing room(s).

### **Costumes and Appearance:**

Costumes are distributed in a week prior to the show during group rehearsals. Kathy Brickman will be on hand to describe how it should be worn and any finishing touches to be made. Here are a few things to remember about your costumes:

- Please refrain from eating or drinking while in costume (except water) at dress rehearsal or shows.
- If **ANY** part of the costume is missing, (boot covers, headpiece, etc.) the skater cannot be permitted to skate in that show.
- At show time, skaters should stay out of the lobby while in costumes. If the skater must go into the lobby, he/she should be covered by a long garment (such as a robe).
- For the safety of all skaters, skaters with long hair should wear it tied back in a ponytail, braid or bun. Please, no hair extensions & no jewelry should be worn with the costume.
- To prevent panty lines, girls should not wear underpants with their costumes.

### **Purchasing Tights & Other Costume Parts:**

Costumes do not include tights EXCEPT Snowplow Sam and Basic 1-2.

These have been pre ordered. Parents should purchase tights (for girls only) if they are required by the costume style.

**Parents should purchase Mondor Performance TIGHTS.** Tights will generally cost between \$17 and \$19. *(Be sure to check the Mondor Sizing Chart so you purchase the right size for your skater and consider buying an extra pair just in case!) Tights can be purchased at **Offensive Zone** (the pro shop is located in the lobby of the rink)*

**NO OVER-THE-BOOT TIGHTS PLEASE!** Skaters who come dressed in over-the-boot tights will be expected to cut or remove them before taking the ice for dress rehearsals and shows.

## BACKSTAGE PARENT VOLUNTEER INFORMATION

Each year we ask for all parents to volunteer to help coordinate and supervise the skaters backstage in the dressing rooms during shows and full rehearsals. A pass will be issued to the volunteer for the show in which they are working. **Parent volunteers are crucial to the success of the show and the safety of the skaters. We truly rely on parents to help us out in this area.**

All parents will be asked to volunteer one night, please fill out the form below and submit it to the office by **Friday, April 26.**

As a backstage volunteer during the tech/dress rehearsals and shows, please remain in your assigned dressing room the entire time the skaters are present, until the last skater has been claimed by his/her parent. Skaters performing in the first half (except Snowplow Sam and Basic 1-2) will be in their dressing rooms **for the entire show**, while skaters in the second half will be in their dressing rooms from their arrival time until the end of the show. This is because all skaters will be performing in the Grand Finale at the end of the show! This means that a ticket should not be purchased for show at which you'll be volunteering. Parents will be assigned to the same dressing room as their child. Volunteer Coordinator Kathy Brickman will call you with your Volunteer Assignment. Please do not wear open toed shoes in the dressing rooms!

If there are any questions about being an Ice Show parent volunteer, please ask or leave a message for Volunteer Coordinator Kathy Brickman (224-521-2045).
