

*Talking Points for the Annexation of Unincorporated Properties:*

In a 5-2 vote, The Glenview Park District Board of Commissioners has approved two ordinances to annex unincorporated areas that were surrounded by the Glenview Park District, but were not included in District boundaries.

The first area includes Overland Pass, Pleasant Run, Westview, Linden Tree and Alley Lane on the west side of Landwehr Road adjacent to the Glenview Ice Center and just north of The Grove. The second includes Salem Walk and is east of Milwaukee Avenue. Both areas are within walking distance or a short drive of many park district facilities and amenities.

Annexation will allow these residents to receive discounted resident rates for all services, programs and events the park district offers, apply for leishership scholarships, and have access to priority registration.

Residents in these areas will be eligible to receive full benefits beginning in 2019. Property owners will in turn receive a tax assessment for the Glenview Park District in 2019, which would first impact property tax bills set to property owners in 2020.
