

2019 Farmers Market Green Table Schedule

Co-Sponsored by the Village of Glenview and Glenview Park District -- Wagner Farm, Lake St and Wagner Rd, Glenview, 9:00 am – 12:00 noon

Market open 8 am until noon.

June 22 **Glenview Sustainability Award Winner: SS Peter and Paul Church Environmental Ministry**
The mission of the Environmental Ministry is to encourage commitment, implement programs, and establish community through stewardship of the environment, as part of their Greek Orthodox faith. <https://ssppglenview.org/environmental-ministry-webpage/>
[Learn more about the Glenview Environmental Sustainability Award program here.](#)

June 29 **Community Gardening and Beekeeping at the Farm**
Wagner Farm Community Garden Coordinator Alyssa Tadelman, Park Board Commissioner Angie Katsamakias, and Robin Forde, Journeyman level beekeeper at Wagner Farm <http://www.glenviewparks.org/facilities-parks/wagner-farm/>

July 6 **Village of Glenview Natural Resources**
Recycling, Rain Gardens, River Habitat improvements: There are just a few of the many sustainability initiatives in Glenview. Come to meet the Village Natural Resources Manager, Dr. Robyn Flakne and members of the Natural Resources Commission team who work year round on environmental issues in Glenview. <https://glenview.il.us/about/Pages/NaturalResources.aspx>

July 13 **Sapling Giveaway Pick up a Free Tree!**
Representatives from the Metropolitan Water Reclamation District (MWRD) www.mwrdd.org
Will bring 200 saplings for free giveaway. Part of regional efforts [to restore the canopy](#)

Pick up a Free Oak Sapling at the Market. Details and care instructions can be found [here](#)

July 20 **Bike Glenview! And RECYCLE OLD BIKES!**
Learn about the initiative, get a free map and **recycle your old bike** <http://www.glenviewparks.org/bike-glenview/>
Joined by Alan Rubin of Glenview Cycle <http://www.glenviewcycle.com/> and Phil Kaplan of [Working Bikes](#)

Bring a used bicycle to be up-cycled: fixed and redistributed to people who need them through [WORKING BIKES](#)

July 27 **Protecting and Salvaging Our Valuable Trees**
Glenview residents Bruce and Erika Horigan, Horigan Urban Forest Products, <http://www.horiganufp.com/> give life to dead trees!
Also, find information on Glenview Heritage Tree program with Scott Daniels, Natural Resources Commissioner, Village of Glenview
<https://glenview.il.us/about/Pages/NaturalResources.aspx> <https://www.glenview.il.us/about/Pages/Heritage-Trees.aspx>

August 3 **Re-Use of Materials: Evanston Rebuilding Warehouse**
Learn what it means to move from a linear (throwaway) economy to one which is circular. Reusing materials, upcycling, and also training people for jobs in the new economy is part of what ERW does. Many Glenview residents are involved in this innovative effort.
<http://evanstonrebuildingwarehouse.org/>

August 10 **Tyner Center and Fuller Prairie**
Local Naturalist Kent Fuller will be on hand to share information and explain the work at one of our region's premier environmental facilities. This prairie was recently named an Illinois State Nature Preserve <http://www.glenviewparks.org/facilities-parks/kent-fuller-air-station-prairie-tyner-center/>

August 17 **Sapling Giveaway-- Pick up a Free Tree!**
Representatives from the Metropolitan Water Reclamation District (MWRD) www.mwrdd.org
Will bring 200 saplings for free giveaway. Part of regional efforts [to restore the canopy](#)

Pick up a Free Oak Sapling at the Market. Details and care instructions can be found [here](#)

August 24 **Reduce your Energy Usage to Save Money on your Bills**
Citizens Utility Board Representatives will answer questions about bills, usage and power provider options
<http://www.citizensutilityboard.org>

August 31 **Woodworth Prairie: A Treasure in our Midst**
In 1968 the University of Illinois at Chicago (UIC) gained title to an abused prairie remnant on Milwaukee Ave. in Glenview. Scientists and people who were interested in prairie had been studying this area since at least 1926. This property is open to the public at specific times, and is home to original species which actually evolved there. Come learn about the [James Woodworth Prairie Preserve](#), and how it was saved.

Sep 7 **Glenview Sustainability Award Winner: ABT**
Glenview-based ABT will showcase many of their award-winning strategies for sustainability in business.
Did you know you can recycle electronics and Styrofoam products at Abt? Learn about their [comprehensive Green Program](#)
[Learn more about the Glenview Environmental Sustainability Award program here.](#)

Sep 14 **Being Greener with the Glenview Park District**
Staff and Leadership from the Glenview Park District will provide tips and lessons for residents on "How to be More Green," with Glenview Park Board President Jen Roberts. <https://www.glenviewparks.org/about/park-board/> and environmental specialists.

Sep 21 **Supporting Back Yard Birds and Wildlife: Nature in your Own Back Yard**
Tim Joyce, Wild Birds Unlimited, <http://www.wbu.com/> Nancy Halliday, Village of Glenview Natural Resources Commission,
<http://www.glenview.il.us/government/Pages/Natural-Resources.aspx>

Sep 28 **Sapling Giveaway-- Pick up a Free Tree!**

Representatives from the Metropolitan Water Reclamation District (MWRD) www.mwrdd.org
Will bring 200 saplings for free giveaway. Part of regional efforts [to restore the canopy](#)

Pick up a Free Oak Sapling at the Market. Details and care instructions can be found [here](#)

Oct 5 **Bike Glenview! And RECYCLE OLD BIKES!**

Learn about the initiative, get a free map and **recycle your old bike** <http://www.glenviewparks.org/bike-glenview/>
Joined by Alan Rubin of Glenview Cycle <http://www.glenviewcycle.com/> and Phil Kaplan of [Working Bikes](#)

Bring a used bicycle to be up-cycled: fixed and redistributed to people who need them through [WORKING BIKES](#)

Glenbrook South students Wyatt Cummings and Sophia Gyuk will share their passion for the environment and explain what YOU can do to help. Wyatt Cummings, a key player in supporting monarch butterflies and other pollinators in Glenview, is on the Village Natural Resources Commission. Sophia Gyuk started with a project in junior high and has become a recognized advocate for composting and reducing food waste.

Oct 12 **Celebrate OAKtober!**

Representatives from the Metropolitan Water Reclamation District (MWRD) www.mwrdd.org
Will bring 200 saplings for free giveaway. Part of regional efforts to rebuild our urban tree canopy.
