Renovation Update (8/7/19)

While we were anticipating the ability to partially open the ice center with limited, temporary conditions this winter, we have learned that will no longer be possible due to some early delays in the project timeline. The full project timeline is not impacted, and the full opening continues to be scheduled for September 2020.

We are seeking alternate places to provide winter programming, as not having temporary conditions this season is not ideal. Park District staff is in process of securing ice at area rinks in Glenview, Northbrook, Mt. Prospect, Rolling Meadows and other surrounding towns. Our goal is to provide as many of our regular programs as possible based on the amount of ice time we can secure. We are happy to have secured ice here in Glenview at Jet Hockey to support our Snowplow Sam through Basic 6 skaters this Fall!

We are in discussion with local park districts on possible intergovernmental agreements to allow Glenview residents to receive resident rates in order to provide more individual options. We will continue to update our website and this document with more information as agreements become finalized.

Local Rinks providing Learn to Skate programs matching Glenview:

Winnetka Ice Arena and Skokie Skatium

Local Rinks providing ISI programs:

Northbrook Sports Center, Wilmette
Centennial Ice Rink and Niles IceLand Skate
