YOUR LIFE DOESN’T HAVE TO BE DOMINATED BY THE PAIN OR NUMBNESS OF NEUROPATHY

Do you suffer from one of the seven symptoms of this potentially life-robbing condition?

THE PROBLEM IS OFTEN MISDIAGNOSED, OR NOT DIAGNOSED AT ALL, BUT IT AFFECTS THE LIVES OF 40 MILLION AMERICANS—NATIONAL INSTITUTE OF HEALTH

THE SEVEN SYMPTOMS:

1. NUMBNESS
2. BURNING PAIN
3. CRAMPING
4. SHARP/ELECTRIC PAIN
5. PAIN WHILE WALKING
6. DIFFICULTY SLEEPING/FEET/FOOT DISCOMFORT
7. PROLONGING/TINGLING FEELINGS

If you suffer from any of these symptoms, you may have Peripheral Neuropathy. At our seminars, you will learn the newest information on the little-known treatment on how you may find relief to your Neuropathy symptoms.

“I am a retired Medical Physician, so I started with Dr. Horn with some trepidation as Medical Doctors don’t usually tend to work with Chiropractors. But to my surprise, less than a week after I started the program, my Neuropathy symptoms began to relieve. I have now reached the point where I don’t feel Neuropathy at all most of the time. I would say that I have experienced 80-90 percent improvement since I have been on the Neuropathy program. Thank you, Dr. Horn.” – Dr. J.H., MD
