Committee reports on action are considered a seconded motion. Any items for which there are public comment cards will be addressed and the public called on following commissioner discussion. Please place the card on the head table. Once all public comments have been heard, the discussion will return to the Commissioner-level for any additional discussion, possible motion adjustment, and formal action. In some instances, a staff member or commissioner may present general or routine matters that have not been the subject of committee discussion. In those cases, a motion and a second are required before a vote of the board.
