PLAYING IT SAFE - PADDLE

Glenview Prairie Club Paddle courts will open for play on May 29th, with a number of provisions to protect the safety of our customers, employees and our community.

We believe Paddle can be played at a safe physical distance outdoors and that it provides individuals an opportunity to exercise, appreciate nature, and promotes mental well-being. We are committed to safety and have a plan in place allowing players to play with as little contact as possible while adhering to the guidelines set forth by the Illinois Department of Commerce & Economic Opportunity.

How THE EXPERIENCE is changed

✓ Play Limitations
  Paddle courts will be available for recreational play only, reservations are required. Reservations can be made 6 days in advance by calling the clubhouse. Play is limited to two hours.

✓ Arrival
  Players are not permitted to arrive more than ten minutes prior to their court reservation. Court reservations are staggered in order to minimize congregation and to follow social distancing guidelines. No spectators allowed at this time. No demo paddles and ball hoppers are available.

✓ Glenview Prairie Club Hut will remain closed
  The clubhouse will remain closed until further notice. If you need anything from the clubhouse, drink, balls or grips, you can call into the clubhouse and we will safely deliver to you.

✓ Operations
  Courts will be available from 8am -7pm 7 days a week.
  All courts will close at 7:00pm.
  Paddle court lights and heaters will not be operational.

How THE GAME & COURTS have changed

✓ Bathrooms and Water Fountains
  There are NO bathrooms or water currently available. Please bring your own bottle.

✓ Lessons
  At this time, we will not be offering private or group lessons.

✓ During Play
  Each player must only handle their own paddle ball (identify via a unique identifier). Please avoid touching the net. Hand sanitizer is being placed at all court entrances to be used before, during and after play.
How **YOU CAN HELP** keep it **SAFE**

- **✓** Don’t play if you’re sick
  If you are experiencing cold or flu symptoms, have a fever, or have been exposed to someone with COVID-19: stay home and protect other players.

- **✓** Maintain Space with your playing partner
  High fives and handshakes are normally encouraged but for now keep your space from playing partners. Maintain at least 6 feet from the net and during changeovers, handle only your own racquet, bag, etc.

- **✓** Bring your own hand sanitizer
  Help keep your partner and other players safe and sanitize your hands frequently.

- **✓** Be a Good Citizen
  With everyone following the guidelines and rules set forth, we are able to provide a safe and fun paddle experience. If patrons do not observe these rules, the courts may close or further restrict access to all paddle players.

---

**Failure to Follow Guidelines**

We care about your health. The COVID-19 pandemic is very serious. Please be respectful of staff and fellow players at all times. **Failure to follow staff directives and the guidelines set forth will result in suspension of your paddle privileges until further notice.**

The Park District may change and update guidelines and restrictions at any time given the fluid nature of the pandemic and as new regulations are implemented or new guidance is developed.
