PLAYING IT SAFE - TENNIS

The Glenview Tennis Club will open for play on June 3, with a number of provisions to protect the safety of our customers, employees and our community.

We believe tennis can be played at a safe physical distance outdoors and indoors and that it provides individuals an opportunity to exercise and promotes mental well-being. We are committed to safety and have a plan in place allowing players to play with as little contact as possible while adhering to the guidelines set forth by the Illinois Department of Commerce & Economic Opportunity.

How THE EXPERIENCE is changed

✓ Play Limitations
  Play must be booked in one-hour increments. Two hour reservations can be made. Members can reserve a court 7 days in advance; nonmembers 24 hours.

✓ Arrival
  Players should arrive no more than 10 minutes prior to play. Court reservations are staggered in order to minimize congregation and to follow physical distancing guidelines.

✓ Payment at Time of Reservation
  We encourage reservations to be made by phone with payment made by credit card.

How THE GAME & COURTS have changed

✓ Stray Balls
  If a ball from another court comes to you, send it back with a kick or with your racquet.

✓ Avoid all shared touchpoints
  Do not handle the nets or other court apparatus. Benches, scorekeepers, garbage bins and entry doors have been removed to limit touchpoints.

✓ Water Fountains and Locker Rooms
  Please bring your own bottle. All drinking fountains are turned off. However, a bottle filler is available in the fitness area. The bathrooms are open but lockers and showers are not.

How YOU CAN HELP keep it SAFE

✓ Don’t Play if You’re Sick
  If you are experiencing cold or flu symptoms, have a fever, or have been exposed to someone with COVID-19: stay home and protect other players.

✓ Maintain Space with your Playing Partner
  High fives and handshakes are normally encouraged but for now keep your space from playing partners. Stay at least 6 feet away at the net and during changeovers, handle your own racquet, bag, etc.

✓ Face Coverings Required
Help keep your partner and other players safe by wearing a face covering while in the facility and not playing.

With everyone following the guidelines and rules set forth, we are able to provide a safe and fun tennis experience.

✔ Be a Good Citizen

**Failure to Follow Guidelines**

We care about your health. The COVID-19 pandemic is very serious. Please be respectful of staff and fellow players at all times. **Failure to follow staff directives and the guidelines set forth will result in suspension of your indoor tennis privileges until further notice.**
